

## iView – Fluid Balance Charting

1. Log into ieMR and create a relationship with the patient
2. *Open* the patient’s chart
3. Click on *Interactive View* tab in the main menu down the left side of the page
4. In interactive view click on the *Fluid Balance navigator banner* as shown below

5. To input information, *double-click* on the grey banner required as shown below. This will highlight the column and allow you to input information required

6. When finished charting, *click* on the green tick to *Sign* the documentation.
